## Available Native Plants & Growing Needs

We recommend printing this list to work through as you compile your request. Notes on growing needs:

- **Soil nutrients:** plants with **high** needs should have compost or fish fertilizer added when planting, and annually
- **Moisture & sun requirements:** **O** and **X** reflect preferred, and **o** and **x** reflect tolerable growing conditions
- **Sun requirements:** **Sun** = 6+ hrs of direct sun; **Part** = 3-6 hours of direct sun; **Shade** = less than 3 hours of direct sun
